Manufacturer: Annovi Reverberi Pumps

AR Pump XWL42.20N Pump: 11/3000 1450RPM
Description
A remarkably reliable and efficient, the Annovi Reverberi (AR) Plunger Pump XWL42.20N is designed with the highest quality standards in mind. Its durable construction ensures long-lasting performance under heavy duty applications, whether you're engaged in pressure washing, jetting operations, or any other high-pressure tasks. Offering a robust 11 GPM, 3000 PSI, and 1450 RPM, it delivers a powerful pressure output for peak efficiency in all its applications.
This plunger pump caters to a diverse array of applications like residential cleaning, commercial pressure washing, surface preparation, and industrial sanitization. Being used widely in the food processing industry, it aids in effective cleaning and sterilization. You'll also see it finding uses in the car washing industry, sewage systems for efficient waste clearance, and even in the agriculture sector for sprayers and irrigation systems.
Specifications

- Power Source: Gas/Electric
- Flow Rate: 11 Gallons per Minute (GPM)
- Pressure: 3000 Pounds per Square Inch (PSI)
- Rotation Speed: 1450 Revolutions per Minute (RPM)
- Application: Residential and Commercial cleaning, Sanitation, Pressure washing
