Clean Storm 86036RG, 3/8" Rubber Molded Grip Insulated Female Brass Coupler x 3/8" FIP, 4000 PSI

Description

Upgrade your pressure washing setup with the Clean Storm 86036RG Insulated Quick Disconnect Coupler. Designed specifically for demanding high-temperature and high-pressure cleaning applications, this coupler features a heavy-duty rubber molded grip that shields your hands from intense heat when operating hot water pressure washers. Crafted from durable brass, it provides a reliable, leak-free connection while handling flow rates up to 10.5 GPM and pressures up to 4000 PSI.

Features

- Heat-Protective Molded Grip: Durable rubber insulation protects operators from extreme hot water temperatures up to 212°F.
- Heavy-Duty Brass Construction: Offers superior corrosion resistance and longevity under high-stress washing conditions.
- High-Flow Performance: Optimized internal design supports high flow rates up to 10.5 GPM without sacrificing pressure.
- Quick & Secure Connection: Standard 3/8" female quick-connect design allows for fast, effortless attachment to power washing wands and accessories.
- Hot Water Ready: Specifically built to withstand continuous hot water pressure washing applications.
