Manufacturer: Husqvarna Equipment

Husqvarna 970605401 PG6P 22Hp Propane 25.2Grinding Width 1140lbs 970 60 54â€‘01 PG 6 P
Description
A propane-powered version of our versatile Husqvarna PG 6 floor grinder. An integrated water tank enables wet grinding, while the propane engine eliminates the need for electrical access – making the PG 6 P the perfect choice for large outdoor concrete slabs. The electric fuel-injection system reduces fuel consumption, while the exhaust catalyst further lowers emissions. Key components are sealed against dust and slurry for maximum reliability and low maintenance. Adjustable weights are included with the grinder, providing extra grinding pressure and making the machine easy to handle, tilt and operate. For dry applications, combine your grinder with a Husqvarna cordless dust extractor. For wet applications, combine it with a slurry vacuum.
Features

Specification

Engine

FLOOR GRINDER PG 6 P Propane

Motor/engine model Kohler Command Pro EFI

Husqvarna 970605401, PG6P 22Hp Propane 25.2Grinding Width 1140lbs 970 60 54â€‘01 PG 6 P Freight Included, GTIN 805544367141

Engine Power (As rated by the engine manufacturer 22 hp

Exhaust emissions (COâ„, EU V) 0 g/kWh

Motor

FLOOR GRINDER PG 6 P Propane

Power source Propane
