Description

LFe 60 LAT is a lightweight, fast-operating forward plate compactor, designed for efficient compaction of asphalt and soil. It is ideal for repair jobs and maintenance work such as driveways and parking lots. The large water tank features an oversized cap to enable less frequent and faster refills. The machine is easy to clean, leaves no marks on the pavement and uses whatever water is available on-site.

Features

Hours of efficient work

The efficient, patented low-vibration handle lowers the vibration levels below 2 m/s², allowing you to work for hours without becoming fatigued or exceeding any regulatory threshold limit values.

Easy handling, excellent results

The watering system, that prevents the bottom plate from sticking to the hot asphalt, uses only a minimum of water thanks to the easily adjustable water flow.

More work with less water

The large corrosion-free water tank and smart water distribution system enable you to work longer with less stops for re-filling.

Easy to transport

Equipped with transport wheels for effortless transportation.

Saving storage space

The handle completely folds to save space, making transport and storage easy.

Optimized for asphalt

The bottom plate is specially designed for asphalt work, ensuring it will not get stuck on hot asphalt or leave turning marks.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final.

Same factory warranty as brand new: 1 years parts!

Extended the warranty to 3 or even 5 years for a little more with no hour exclusions.

Condition of this machine: "A" Only 3 at this price!

Our A rated demo equipment usually has less than 100 hours on it.
