Demo Husqvarna 967973801A SCREED BV 30i Battery Driven 36 Volts (Battery and Blade Not Included)

Description

The battery-powered BV 30i provides improved ergonomics, easy operation and low maintenance. Thanks to its easy manoeuvring, zero CO₂ emissions during use and no need to purchase and fill oil and petrol, this machine stands for a better work environment. It also enhances flexibility, as it can be used indoors, operates on batteries that fit other Husqvarna battery products and is compatible with all existing BV 30 screed profiles. BV 30i requires very low maintenance. Thanks to its battery-powered engine, there are less wear parts, no oil changes needed and the risk of using the wrong fuel is a thing of the past.

Demo / refurbished / blemished means: might have blemish, scratch, rust, or dent, used at a trade show, tested in the showroom by a customer, last years model, return by shipping company, returned by customer, used by factory for R&D work, no factory box. Limited stock so if you purchase it and we cannot fill the order because another customer beat you to the bargain, your money will be returned. Please do not call to see if it is still available as if the web page is up and viewable, it is available this second. If you delayed and asked if it available so you let some other customer place the order ahead of you.

All sales are final. Same factory warranty as brand new: 1 years parts / 1000 hours! Extended the warranty to 3 or even 5 years for a little more with no hour exclusions. Condition of this machine: "A" Only 2 at this price!
