Van Divider Curtain 149910 Charcoal For Chevy & GMC 1992-Present 1690-4195

Manufacturer: HydroForce

3-4 Week Lead Time On This Product

1690-4195 VAN DIVIDER THERMAL CURTAIN 149910

Don't freeze in winter or sweat in summer. Insulate your cab from heat, cold and unwanted odors. Heavy-duty 6 oz. grade nylon divider prevents unwanted circulation of heating and air conditioning by keeping it in the front compartment. Curtain snaps to van's contoured ribs. Folds aside with center zipper for easy access to back section. Clear vinyl windows for full visibility. Handy utility pocket holds maps, clipboards and other equipment. Available for all full-size and mini-vans. Choose from gray or navy blue. Specify color, sliding or hinged side door, make, and model of van.

- Creates a comfortable driving environment
- Keeps heat in while heating van on long winter nights
- Keeps noise and odors in the back
- Maintains access and visibility to the rear
- Easily installed and transferred to new vans

CONSTRUCTION:

- Heavy-duty nylon fabric
- Clear vinyl windows (D.O.T. approved)
- Full-length separating zipper
- Two handy utility pockets
- Storage bag
