Husqvarna 598884002 ELITE-GRIND™, EZ Change X Double Segment 25 Grit For Extra Hard Concrete 3 Pack GTIN 805544433204

Manufacturer: Husqvarna Equipment

Husqvarna 598884002 ELITE-GRIND™; EZ Change X Double Segment 25 Grit For Hard Concrete

EZchange™ tool system features a 13 mm high segment that is ideal for grinding hard concrete floors with a hardness level ranging from 6 to 8 on Mohs hardness scale.

Specifically designed for this purpose, Elite-Grind™; EZ X offers exceptional performance and efficiency when working on hard surfaces that requires a high grinding to achieve end results in fewer steps.

With its robust segment design, it ensures precise material removal and effective grinding, making it the perfect choice for tackling hard concrete floor applications. Indispensable for highly professional applications.
