Husqvarna 546329101 ELITE-GRIND™ EZ Change XS Double Segment 25 Grit For Extra Rough Concrete 3 Pack GTIN 805544365086

Manufacturer: Husqvarna Equipment

Husqvarna 546329101 ELITE-GRIND™ EZ Change XS Double Segment 25 Grit For Extra Rough and Abrasive Concrete

EZchange™ tool system features a 13 mm high segment that is ideal for grinding extremely abrasive surfaces.

Made with a high diamond grade and hard metallic bond, it offers superior performance.

Additionally, a triple segment option is available for increased tool life. Indispensable for highly professional applications.

Great for extra soft cured concrete, rain damaged concrete, tile screeds, lippage and trip hazards

Buy More, \$ave More!

All sales final. No phone orders accepted on diamond segments sold at dealer cost.
