Clean Storm 20250214, 14-50P X L5-30R RV Extension 100 Foot Power Cord 10-3 Bundle

### Description

Upgrade your power setup with the Clean Storm 100-Foot RV Extension Power Cord (Model: 20250214). Built with heavy-duty 10-3 SJOW cable, this cord features stranded bare copper conductors, CPE rubber or EPR insulation, and a rugged CPE jacket designed to withstand extreme environments ranging from -40&deg;C to +90&deg;C. Engineered with factory- or dealer-installed NEMA 14-50P to L5-30R ends, it includes lighted ends for quick, easy power monitoring and vibrant colors for high visibility and safety on jobsites, workshops, and campsites.

The 10-gauge construction provides 100% more copper mass than standard 12-gauge cords, ensuring your equipment runs cooler and more efficiently. It delivers exceptional resistance to oil, moisture, abrasion, and aging, and is fully UL certified for safe indoor or outdoor use.

### Features

- Length & Gauge: 100-foot 10-3 heavy-duty power cord; 10-gauge provides double the copper mass of 12-gauge for cooler operation.
- Lighted Ends: Equipped with lighted ends for quick and easy visual confirmation of active power.
- Durable SJOW Jacket: Features a high-flexibility CPE jacket with excellent resistance to oil, moisture, chemicals, abrasion, and weathering (-40&deg;C to +90&deg;C temperature range).
- High Visibility: Vibrant colors enhance safety and visibility on busy jobsites, workshops, and recreational areas.
- Versatile Application: Ideal for portable tools, equipment, appliances, small motors, mechanics, and RV applications.
- Safety Certified: UL certified for dependable indoor and outdoor use.
