Clean Storm 20250216, RV Extension Power Cord, 100 Foot, 10/3 SJOW, NEMA 10-30P to L5-30R

Model Number: 20250216

Clean Storm 20250216, RV Extension Power Cord, 100 Foot, 10/3 SJOW, NEMA 10-30P to L5-30R

Manufacturer: Clean Storm

Clean Storm 20250216, RV Extension Power Cord, 100 Foot, 10/3 SJOW, NEMA 10-30P to L5-30R

Description

The Clean Storm 20250216 is a heavy-duty 100-foot RV extension power cord bundle built to deliver reliable high-amperage power in tough environments. Featuring factory or dealer-installed NEMA 10-30P to L5-30R ends, this cord seamlessly adapts your 30 Amp power source for RVs, job sites, workshops, and portable equipment.

Constructed with a premium 10-gauge (10/3) SJOW jacket, this cable incorporates 100% more copper mass than standard 12-gauge cords, allowing your machinery and appliances to run cooler and more efficiently over long distances. Built with stranded bare copper conductors, EPR/CPE rubber insulation, and a durable CPE jacket, this cord boasts exceptional resistance to oil, water, abrasion, and harsh weather. Designed for maximum safety and efficiency, it includes lighted ends for instant power monitoring and is UL certified for indoor or outdoor application.

Key Features

- **High Capacity 10/3 Gauge:** Contains 100% more copper mass than 12-gauge cords to reduce voltage drop and keep equipment running cool.
- **Lighted Ends:** Features built-in indicator lights for easy, immediate power monitoring.
- **Durable SJOW Construction:** Premium CPE rubber/EPR insulation and jacket withstand oil, moisture, water, and heavy mechanical wear.
- **Extreme Temperature Range:** Operates reliably in harsh conditions with a temperature rating of -40°C to +90°C.
- **High-Visibility Jacket:** Designed for increased safety and job site visibility (ships in vibrant factory choice color: yellow, green, or orange).
- **UL Certified:** Rigorously tested and certified for safe indoor and outdoor use.
- **Versatile Applications:** Ideal for RVs, portable tools, small motors, workshops, mechanics, and job site power needs.

Parts & Accessories > Extension Power Cords > Clean Storm 20250216, RV Extension Power Cord, 100 Foot, 10/3 SJOW, NEMA 10-30P to L5-30R

Clean Storm 20250216, RV Extension Power Cord, 100 Foot, 10/3 SJOW, NEMA 10-30P to L5-30R

Clean Storm

Part / Item Number
20250216

Cord Length
100 Feet

Wire Gauge & Conductors
10/3 AWG (10 Gauge, 3 Conductors)

Cable Type
SJOW (Stranded bare copper, CPE/EPR insulation, CPE jacket)

Amperage Rating
30 Amps

Voltage Rating
125 Volts

Plug End (Male)
NEMA 10-30P

Receptacle End (Female)
NEMA L5-30R (Locking)

Temperature Rating
-40°C to +90°C (-40°F to 194°F)

UPC Barcode
05473210030

Certifications
UL Certified (Indoor / Outdoor Use)
