Bissell BGU1500T Dual Motor Upright Vacuum 15in

Manufacturer: Bissell

Bissell BGU1500T Dual Motor Upright Vacuum 15in

## 15 Inch Commercial Upright Vacuum Cleaner

If you are looking for a vacuum cleaner that provides a larger cleaning area we recommend either the BGU1500T or the BGU1800T. As the numbers suggest, the 1500T features a 15-inch cleaning path while the 1800T features an 18-inch cleaning path. Both of these vacuums clean a wider area making them perfect for larger floors. The extensions to their heads are designed to make it easier to clean against walls or underneath shelves or other low furniture. As such, these vacuums are often recommended for retail locations, restaurants, storage facilities, and similar properties. If you need a vacuum cleaner that can effectively and efficiently clean a large area, we highly recommend either of these two machines.

- Powerful 900-watt dual motor deep cleans in just one pass.
- Attachment includes dusting brush and crevice tool.
- Telescopic wand and stretch hose extends more than 9 feet for convenient above-the-floor cleaning.
  - Dual-wall disposable bag holds up to 4.25 quarts of dirt.
  - 40-ft. long power cord with cord strain relief allows for 80 feet of cleaning area.
  - Roller brush motor automatically turns off protecting the carpet when the tools are being used.
- 15&Prime; cleaning path for faster cleaning.
- Large rear wheels make transportation easy.
- Manual carpet height adjustment.
- Non-slip belt with overload protection.

>

- Convenient modular component system requires no tools to disassemble. Easy to trouble shoot a blockage or repair.
- High efficiency HEPA filtration includes motor inlet filter and dual wall disposable bags.

- Input Power (W)900
- Water life mm/H2O (in/H2O)1800 (70.9)
