Husqvarna 970615301BMS 280P Propane Ride On Floor Scraper 25Hp 3234Lbs

Manufacturer: Husqvarna Equipment

Husqvarna 970615301BMS 280P Propane Ride On Floor Scraper 25Hp

BMS 280P is a propane driven ride-on floor scraper that is quick, agile and highly effective for large area surface removal. This machine significantly reduces the amount of time and effort required to remove a wide variety of thick coatings, floor coverings and waterproofing membranes. The operator sits on a comfortable seat for operation of the machine with user-friendly levers for controlling forward and backward movements, plus making blade adjustments. BMS 280P gives you independent control of the wheels for precise steering and manoeuvring that maximizes efficiency. Without the need for power cables, you can also enjoy greater mobility on job sites and make more of your time count.
