JE Adams and SteamBrite Supply Now Offers An Affordable, Secure, and Easy to Use Credit Card Swiper on Vacuums & Air Machines

JE Adams has partnered with CryptoPay[®]; Credit Card System and now you can add a credit card reader to JE Adams Vacuums and Air Machines.

Your cost \$350 per Swiper
Your cost \$350 per Coordinator

>

Don't throw money away just to accept credit cards

o Other credit card systems charge you \$9.95 per month per swiper plus your processing fees. That can add up quickly!! See the example below:

* The average number of vacuums per site is 4

* \$9.95 per month x per vacuum (4) = \$39.80

* \$39.80 per month x 12 months = \$477.60

* \$477.60 per year x 5 years = \$2,388.00 in base charge fees!

Competitor Credit Card System equipment \$550 * 4 = \$2200 to start

JE Adams \$350 * 1 = \$350

Coordinator \$350 * 4 = \$1400

Swipers Total \$1750

You just need an internet connection to the office where you would run an internet connection to the coordinator (\$350). Then you would mount the credit card swipe (\$350 each) on the vacuum and its picks up the signal from the coordinator. No need to run internet to each vacuum.

Secure Radio Mesh Wireless System (non-WiFi)

o No PC or special software is required, no running cables to each credit card swiper. All you need is an Internet connection

o Only one CryptoPay Coordinator needed per site supporting up to 50 CryptoPay credit card swipers

o Credit Card Data is fully encrypted from the point of credit card swipe contact to the credit card processor. Card holder data is never "In the Clear";

&middledot; Wholesale Credit Card Processing Rates

o Offering First Data and Heartland Payments Systems

o JE Adams and SteamBrite Supply do not receive any portion of your swipe fees to keep your costs low

Retro kits available for existing equipment

Optional:
