Clean Storm 20250414 Gasoline Pressure Washer 4 GPM 4000 Psi Downdraft Diesel HEATED in Roll Cage with Wheels

Manufacturer: Clean Storm

Clean Storm 20250414 Gasoline Heated Pressure Washer 4 GPM 4000 Psi in Wheeled Roll Cage

The easy-to-use Roll Cage pressure washer is perfect for heavy-duty cleaning tasks. The downdraft burner system provides efficient heating. Easy to maneuver, it comes ready to work with a 50-foot high-pressure hose, a 48-inch spray lance, quick-connect adapters, and four helpful nozzles and flat free tires.

The Roll Cage hot water pressure washer is a powerful cleaning solution, delivering 4.0 GPM at 4000 PSI. But what sets it apart is its user friendly design. With a patented low center of mass frame for superior maneuverability, a quick-release control panel for easy maintenance, this machine is a breeze to operate. It also comes with an hour meter, adjustable thermostat, downstream chemical injection, and four quick connect nozzles.

Built for durability and performance, the Roll Cage Heated Pressure Washer is the solution for demanding cleaning tasks.

Features Downdraft air forced diesel burner system, lower emissions & more efficient heating Patented rugged and modern design powder coated steel frame

A durable stainless steel coil skin for long-lasting performance and reliability

Isolated engine and pump from the frame to reduce vibration

Flat-free tires for enhanced maneuverability

9-gallon diesel tank for longer operation time

Easy-access to components to simplify maintenance

Adjustable pressure unloader allows you to adjust water pressure and clean between 2000psi all the way up to 4000 psi.

Note that the single cylinder engines recommends unleaded ethanol free fuel, oil for crankcase is full synthetic, fuel for the water his is diesel, kerosene, or a 50/50 mixture of bio-diesel. The gas runs the water pump, the diesel operates the heater.

Fuel nozzle size for heater is factory set to 274,000 BTU's of heat

Electric Start engine can also be pull started. (battery not included)

7 Year warranty on water pump against defects. (freeze damage excluded)

Roll cage provides easy lifting by crane.

Shipping weight 487 lbs

45" X 36" X 49"H

Optional hose reel kits are available for an extended reach.
