Husqvarna 968372401, K40 Power Cutter Air Powered Saw, 14in (430mm) Blade Size, GTIN 805544464871

Manufacturer: Husqvarna Equipment

Husqvarna 968372401, K40 Power Cutter Air Powered Saw, 14in (430mm) Blade Size, GTIN 805544464871

Description

Powerful and reliable air-powered industrial cutter, perfect for use indoors or outdoors with access to compressed air. Featuring a long, slim body, with good weight distribution and fine balance laterally and between the handles. It is a convenient alternative for working outdoors where the air change rate is low, such as in pipeline trenches, in deep foundation sites and on marine docks. Indoors and in dust-sensitive areas, it produces no emissions from oil or exhaust.

Features

- Perfect for use indoor and at low air change rate places
- Efficient cutting with less strain on your body, thanks to its low weight, ergonomic handle and low vibrations.
- Reduces the stop time of the blade when the machine is switched off, which enables you to quickly move on to the next job.
- Pneumatic motor lubrication An oil mist lubricates the motor.
- Cutting building blocks, curbstones and garden pavers.
- Cutting cast concrete.
- Regular cutting in floors and walls.
