Static Control Solution

• E-Guard is a liquid anti-static spray that eliminates static, electrical shocks and charge build-up on carpets. Assure contains a highlyconductive chemical that activates upon drying.
• Apply with sprayer 10 to 18 inches from surface. Do not saturate, spray lightly.
• One gallon will cover approximately 1000 sq. ft. of carpet.
• A clear, colorless liquid that has a characteristic odor.
• pH – 7 to 8.
• UPC code 78405620455
• Manufactures part number 42045
• Also Marketed under the name E-Guard
