Mosmatic 78.292 High Pressure Allrounder Tile and Grout Spinner 12 Inch Wand FL-AER 300 With Vacuum Air Recovery Pick up 4000 psi
Description
Mosmatic Allrounder with recovery is ideal for smaller and hard to reach areas both indoors and out. Small compact and lightweight design is ideal for jobs large or small. Using your vac system, water can be recovered, reused or discharged.

This multi function, multi task surface cleaner line is used to clean brick walls, RV’s, boats, stadium stairs, kennels, sidewalks, carwash walls, windows, tile and grout cleaning, and other hard to clean surfaces. Can be used to pressure wash and vacuum pick up at the same time. No overspray or flying debris guarantees a safe, clean work area.

To adjust the height of the dome add or remove washers between the casters and the support brackets. Operates at lower pressures from 1000 psi to 4000 psi at flow rates between 2 gpm and 6 gpm
