Model Number: 536588403

Husqvarna 536588403, Tacti-Cut S35S Battery, 10 in (250) x .095 x 1 Tacti-Cut S35S BAT, Power Cutter Diamond blades, GTIN 805544502825

Manufacturer: Husqvarna Equipment

Husqvarna 536588403, Tacti-Cut S35S Battery, 10 in (250) x .095 x 1 Tacti-Cut S35S BAT, Power Cutter Diamond blades, GTIN 805544502825
Description

The Tacti-Cut S35S BAT blade is designed to work optimally with the power and RPM of the Kâ€ 540i battery cutter and has a unique, enlarged outside diameter which increases cutting depth up to 100 mm. Designed for the occasional user or for initial cutting operations, it features smarter indicators, a silent core and offers a competitive price/hard-working performance ratio.

Application: Fast, smooth cutting in stone, tile, brick, concrete & masonry materials

Features

- Optimised for cutting in materials such as concrete, bricks, blocks and natural stone. Thanks to its segment shape and composition, this cutting blade is more free, resulting in reduced vibration levels and easier, more comfortable operation.
- To reduce the risk of accidents related to pinching and/or kickbacks, this blade features visual indicators for side clearance, life indicator, wear indicators and a directional arrow.
