J.E. ADAMS 8960, Dual Vacuum, 4 Motors (2 per side), Lighted Dome, Car Wash Vacuum

JE Adams has partnered with CryptoPay™ Credit Card System and now you can add a credit card reader to JE Adams Vacuums and Air Machines.

Your cost $350 per Swiper
Your cost $350 per Coordinator

Don't throw money away just to accept credit cards
o Other credit card systems charge you $9.95 per month per swiper plus your processing fees. That can add up quickly!! See the example below:
* The average number of vacuums per site is 4
* $9.95 per month x per vacuum (4) = $39.80
* $39.80 per month x 12 months = $477.60
* $477.60 per year x 5 years = $2,388.00 in base charge fees!

Competitor Credit Card System equipment $550 * 4 = $2200 to start

JE Adams $350 * 1 = $350
Coordinator $350 * 4 = $1400
Swipers Total $1750
You just need an internet connection to the office where you would run an internet connection to the coordinator ($350). Then you would mount the credit card swipe ($350 each) on the vacuum and its picks up the signal from the coordinator. No need to run internet to each vacuum.

Secure Radio Mesh Wireless System (non-WiFi)
o No PC or special software is required, no running cables to each credit card swiper. All you need is an Internet connection
o Only one CryptoPay Coordinator needed per site supporting up to 50 CryptoPay credit card swipers
o Credit Card Data is fully encrypted from the point of credit card swipe contact to the credit card processor. Card holder data is never ‘In the Clear’
· Wholesale Credit Card Processing Rates
o Offering First Data and Heartland Payments Systems
o JE Adams and SteamBrite Supply do not receive any portion of your swipe fees to keep your costs low
