Husqvarna 966845604, Early Entry Saw Soff-Cut 4200, 14 in, 23 hp, Kohler, Dust Port Cover, GTIN 805544481823

Manufacturer: Husqvarna Equipment

Husqvarna 966845604, Early Entry Saw Soff-Cut 4200, 14 in, 23 hp, Kohler, Dust Port Cover, GTIN 805544481823

Description

The Husqvarna 4200 self-propelled dry-cutting gasoline saw has a low-noise enclosed design and is ideal for heavy-duty commercial, industrial and paving applications. The 4200 is designed for peak performance. Features include a 23 hp twin-cylinder gasoline engine, three-stage cyclonic air cleaner, oil cooler, full-pressure oil lubrication, hydraulic valve lifters, mechanical fuel pump and oil alert light. Multiple blade widths can be used, allowing different joint widths and crack control simultaneously.

Husqvarna Soff-Cut technology is a unique patented system for early entry concrete sawing. This technology enables concrete to be cut within the first one or two hours of finishing and before final set. Husqvarna Soff-Cut® provides the best solution for minimizing the risk of random cracking, and it simplifies the working process, compared to conventional sawing.
