Husqvarna 966845403, Early Entry Saw Soff-Cut 2500, 10 in, 11 hp, Honda, Dust Port Cover, GTIN 805544481663

Manufacturer: Husqvarna Equipment

Husqvarna 966845403, Early Entry Saw Soff-Cut 2500, 10 in, 11 hp, Honda, Dust Port Cover, GTIN 805544481663

#### Description

The Husqvarna Soff-Cut 2500 self-propelled dry cutting gas saw has a low noise enclosed design and is ideal for medium to heavy-duty commercial, industrial and paving applications. The 2500 is designed for versatility, ease of use and high production capabilities. Three blade widths can be used, allowing for different joint widths and crack control simultaneously. Features include a 13 hp engine, halogen lighting system, electric remote key start, and a cyclone air cleaner to increase engine longevity.

Husqvarna Soff-Cut technology is a unique patented system for early entry concrete sawing. This technology enables concrete to be cut within the first one or two hours of finishing and before final set. Husqvarna Soff-Cut® provides the best solution for minimizing the risk of random cracking, and it simplifies the working process, compared to conventional sawing.
