Husqvarna 966845505, Early Entry Saw Soff-Cut 4000, 13.5 in, 20.5 hp, Kohler, Dust Port Cover, GTIN 805544481663

Manufacturer: Husqvarna Equipment

Husqvarna 966845505, Early Entry Saw Soff-Cut 4000, 13.5 in, 20.5 hp, Kohler, Dust Port Cover, GTIN 805544481663

#### Description

The Husqvarna Soff-Cut 4000 self-propelled gasoline saw is designed for heavy-duty commercial, industrial and paving applications. Features include a 20 hp twin-cylinder engine with overhead valves, heavy-duty air cleaner, electric start, full pressure lubrication, hydraulic valve lifters and a mechanical fuel pump. Three blade widths can be used, allowing different joint widths and crack control simultaneously.

Husqvarna Soff-Cut technology is a unique patented system for early entry concrete sawing. This technology enables concrete to be cut within the first one or two hours of finishing and before final set. Husqvarna Soff-Cut® provides the best solution for minimizing the risk of random cracking, and it simplifies the working process, compared to conventional sawing.

#### Specifications

Engine

Engine Power (As rated by the engine manufacturer)

20.5 hp
