The undercarriage cleaners from Steel Eagle are designed to clean under vehicles and equipment with a 24-inch-wide path. Four spray nozzles blast up from below at up to 4,300 PSI, 2 zero-degree nozzles cut through the tough stuff and 2 15-degree nozzles wash it away. Just plug in your pressure washer and use the long reach handle to get all the way underneath your vehicle or equipment with up to a 5-foot reach. Also available in a 10-inch rear wheel model to give you 12.5 inches of clearance to get under heavy equipment and leave the mud on the ground where it belongs. These cleaners can handle water temperatures up to 250 degrees.
