Gardner Denver 28G23-CASE Aeon PD Synthetic Oil Lubricant 12 Quarts

Manufacturer: Gardner Denver Product

Gardner Denver 28G23-CASE Aeon PD Synthetic Oil Lubricant 12 Quarts

Aeon PD Oil – 12 Quarts to a CASE
Aeon PD Oil has a special blend. This synthetic oil uses polyalphaolefins and is designed for unmatched service life. The advanced formula lasts four times longer than regular mineral oil in most conditions. Superior properties ensure longevity and performance. Aeon PD Oil keeps the same viscosity year-round and provides consistent lubrication and protection. Superior lubrication makes it ideal for high temperatures and challenging environments. Optimal performance is guaranteed.
Not only does Aeon PD Oil work well, but it’s also environmentally friendly with unbeatable lubrication and extended service life. It sets new standards in synthetic oil technology.
