Steel Eagle A09-1012 AR Blue Clean AR630-HOT Pressure Washer

Manufacturer: Steel Eagle

Steel Eagle A09-1012 AR Blue Clean AR630-HOT Pressure Washer
Description

The AR Blue Clean AR630-HOT Industrial Pressure Washer 1900 PSI industrial power washer is a high-pressure cleaner that comes with the following features:

- Hot kit seals and o-rings capable of inlet temp. up to 180º – Factory-installed option.
- Induction motor; can produce 6 times the life of a universal motor
- Forged brass pump head for durability
- Trigger gun for positive shut off and user safety
- Adjustable pressure gauge to tailor pressure to the application
- Automatic safety valve with low-pressure bypass
- Built-in detergent suction
- Easy-clean mesh-designed water filter that extends the life of the pump
- Twist-fast coupler for quick removal and attachment of pressure hose
- Safety lock prevents the trigger from accidentally engaging when not in use
- GFCI to shut down power supply in the event of electrical ground failure

Note: HOT models DO NOT create hot water.
