Husqvarna 967301602, DS 900 Core Drill Stand for DM 700, Drill Bit 35in, Freight Included, GTIN 805544582735

Manufacturer: Husqvarna Equipment

Husqvarna 967301602, DS 900 Core Drill Stand for DM 700, Drill Bit 35in, GTIN 805544582735
Drill Stand ONLY
Description
DS 900 is a drill stand for big diameter core drilling. It is a robust, stable stand ideal for tough applications. DS 900 works especially well together with DM 700 core drill motor, part of the PRIME™ product range. The excellent power-to-weight ratio and user-friendly setup together with the high stability and robustness of the stand, offer you a complete setup and is the perfect choice for heavy-duty applications. DS 900 is designed with the same column as the wall saws in the WS 400 range. This makes it a very flexible system since the column is interchangable between drill stand and wall saw.
Features

- Robust and rigid stand
- Modular stand
- Flexible system with wall saw column
- Easy to set up and use
- Attachment kit
- Ideal for all core drilling up to 900 mm
- Precision drilling of deep holes and holes with big diameters
- Heavy-duty applications
