Model Number: 80.612

Mosmatic 80.612, TUW-750 30 Inch Undercarriage Cleaning Wand

Manufacturer: Mosmatic

Due to the popularity of The Mosmatic Undercarriage Cleaner, our development has expanded the line. Mosmatic has now not only two different size undercarriage cleaner, new we have models equipped with stabilizer nozzles. This means more cleaning power and more reach!

The versions with stabilizer are equipped with longer nozzles and a higher protective ring. The diameter of 520mm or 750mm has proven itself. We recommend to use the washer TUW with a guard plate.
