The best thing about the Clean Storm Carpet Extractor that makes it unique from other carpet extractors is the fact that it is a much lighter machine. You will find this 12 gallon machine easy to move with its size and weight. You'll also find it packs a punch when it comes to cleaning power. This carpet machine comes with a 12 gallon fresh water tank and a 12 gallon waste tank. It has dual 3 stage vacuums and a 500 PSI pump. This machine can have a factory installed 1200 Watt heater installed. Check with us to see if we have already in stock or if you might have to wait in line for the build.
