Manufacturer: Husqvarna Equipment

Husqvarna 588419901, Tubing 8TPI Full Assembly, 1.5 in (38 mm) x .125 in Wall Tubing, 14CT, Gold, 588 41 99-01, Freight Included, GTIN 805544929639
Description
The Husqvarna Tubing 8TPI Core Drill Bit is the professional's choice for efficient and precise concrete drilling. This high-performance tool, enabling the user to create perfect holes with minimal effort. Its 8TPI drill connection ensures seamless compatibility with your existing equipment, while the wet coolant feature aids in reducing heat, prolonging the bit's life, and ensuring clean, smooth drilling.

With its gold-level performance rating, this drill bit is designed to withstand the most challenging job sites. Weighing in at just it's engineered for optimal balance and control. The compact packaging makes it easy to transport and store, ensuring your tool is protected when not in use. Whether you're a seasoned professional or a dedicated DIY enthusiast, the Husqvarna Core Drill Bit offers the perfect blend of durability, precision, and ease of use.
Features

- 8TPI drill connection for seamless integration with your equipment
- Wet coolant feature for heat reduction and smoother drilling
- Gold-level performance rating for enduring the toughest job sites
- Lightweight design for superior balance and control
