Description

Truckmount Power in a Portable. That might sound like a bold statement, but it's the truth. Just ask anyone who's experienced what the Breeze® can do.

The sources behind the Breeze's power are the two Mytee® exclusive LX® vacuum motors, producing up to 250 CFM and 180' of water lift (13.2' Hg). What's even better is it's producing that kind of suction at the carpet.

The Breeze® AUTO models feature auto-fill and a 3.3 GPM pump-out, making them a great choice if you plan on keeping the machine stationary in a van.

DOES NOT FEATURE CHEMICAL INJECTION
