tool’s triggerless design protects against carpal tunnel syndrome and other symptoms of wrist strain. If you want a continuous-flow tool that cleans in both directions with zero over-spray, the Mytee Dry GT will outlast any other option out there, and help your wrists last longer too!
Features

- Sleek, triggerless design reduces fatigue and hand strain.
- The shear effect created by the 22 individual spray orifices ensures an even clean without over-wetting or streaking.
- Dual PTFE glide slots allow for cleaning in both directions and leaves upholstery drier for rapid turnaround
- Black, powder-coated, all-metal housing withstands daily use for years to come.
- Made from a lightweight alloy this metal housing only weighs 1oz more than the previous plastic version!
- Clear sight window allows you to see dirt and grime being extracted.
- Easy-adjust flow valve lets you control the flow level or stop it completely.
- Machine end shut-off valve with an inline mesh filter built-in to protect the tool from any debris or sediment.
- Pre-installed on an extra flexible 15 ft. vacuum and solution hose combo.
