Husqvarna 970754903, PG 510 Floor Concrete Grinder, 220-240 V, 1 ph, 60 Hz, 20in, Diamond segments, GTIN 805544620352

Manufacturer: Husqvarna Equipment

Husqvarna 970754903, PG 510 Floor Concrete Grinder, 220-240 V, 1 ph, 60 Hz, 20in, Diamond segments, GTIN 805544620352

Description

The PG 510 is a planetary floor grinder with three grinding discs and a total grinding width of 515 mm. It is suitable for removing coatings, grinding and polishing concrete, etc. The grinding head on the PG 510 is effectively sealed to keep dust and moisture out. This greatly extends the lifetime of the bearings and belts. The PG 510 is ideal as a rental machine and suitable for both professional and semi-professional work. Quick-release couplings allow the grinding head to be separated from the chassis which can then be easily folded for transport. The grinder also has a digital hour meter.

Features

• The speed is fixed and no settings are required. The machine also has an user-friendly logical control panel with overload protection.

• Self-adjusting floating cover with brush list follows the surface and gives a tight seal to prevent the dust from entering the working environment.

• The machine is light and fits easily in any car thanks to the compact design and foldable frame and dividable parts.

• The machine has three grinding discs making it suitable for a wide range of applications.

• The grinding head is effectively sealed to keep dust and moisture out. This greatly extends the lifetime of the bearings and belts.

• EZchange™ is an instant and hassle-free system for changing diamond tooling.
