Udor USA C/CK/G/GK Series Valve Kit 6061.03

Manufacturer: Udor USA

Udor USA C/CK/G/GK Series Valve Kit 6061.03
Description

The Udor 6061.03 Kit ensures you have properly working valves on Udor pumps like the C Series and G Series. Replace damaged or worn valves, or just keep spare ones on hand in case you need them in a pinch! This kit includes 6 valves and 6 O-rings - all OEM replacement parts.
Details:

- Includes 6 new valves with 6 new O-rings
- Compatible with Udor C Series and G Series pumps
- OEM repair parts from the Udor brand
