Manufacturer: Udor USA

Udor USA Penta 28mm Seal Kit 6061.69
Description

Ensure proper operation and maintenance for your Udor Penta series 5-cylinder pumps with an essential replacement seal kit that includes O-rings and seals for all five plungers. Exact replacement parts, don't have to worry about tweaks or adjustments. OEM parts guarantee use of correct materials for increased longevity, and come with manufacturer support.
Use with pumps including:

- PENTA-B 50/200
- PENTA-C 70/200
