Husqvarna 529859305, Elite-Grind EZ T-Rex Super 3-7/8in 85 mm, Grinding Diamond Cup Wheel Each, GTIN 805544499811

Manufacturer: Husqvarna Equipment

Husqvarna 529859305, Elite-Grind EZ T-Rex Super 3-7/8in 85 mm, Grinding Diamond Cup Wheel Each, GTIN 805544499811

Description

Our lineup offers two distinct versions of PCD (polycrystalline diamond) cup wheels, T-Rex 0 and T-Rex Super, specifically designed to cater for the varying requirements of our customers. The T-Rex Super tool is designed for high aggressivity on the floor and is ideal when there is a need to remove 1-3 mm of material. It serves as the perfect tool for initiating surface preparation on floors in poor condition, particularly when there are thicker layers of flexible material that need to be removed.

Features

• Efficiently removes coatings such as glue, levelling compounds, paint, thin epoxy coatings and tile screeds.

• Efficiently removes all kinds of strongly bonded coatings, adhesives and screeds, such as epoxy, glue and paint.

• Specialised grinding tools maintain their sharpness to achieve consistently high removal rates on hard concrete floors.

• Ideal for achieving the desired grinding or polishing result along the edges of concrete floors.

• This engineered system ensures an optimal balance between tool wear and grinding or polishing speed, helping you achieve the desired result in a minimal amount of time.
