Husqvarna 546329103, Elite-Grind EZ XS25 TS 3 Pieces, 3 Segments Gold, GTIN 805544365093

Description

EZchange® tool system features a 13 mm high segment that is ideal for grinding extremely abrasive surfaces. Made with a high diamond grade and hard metallic bond, it offers superior performance. Additionally, a triple segment option is available for increased tool life. Indispensable for highly professional applications.

Features

- Achieve the results you want quickly and with a minimum of effort.
- Dry grinding enables a fast working speed and an extended tool life. This supports efficient grinding or polishing with minimal downtime and high durability.
- The specially designed Husqvarna segment shape optimises the number of active diamonds for improved performance.
- This feature is designed to remove material as efficiently as possible while minimising tool wear, allowing you to achieve consistent, high-quality results.
- Designed to provide reliable results on demanding large-scale jobs, this feature ensures durability and efficiency under continuous, intensive use.
- Efficiently removes hard coatings, screeds and abrasive concrete surfaces.
- This engineered system ensures an optimal balance between tool wear and grinding or polishing speed, helping you achieve the desired result in a minimal amount of time.
- A wide range of available grit sizes allows you to achieve a variety of results across different applications.
