Clean Storm 8.704-753.0-BTF, 3/8 in ID X 1/2 in OD Polybraid Rein Reinforced Clear Tubing X 1ft, (Sold by the Foot)

Model Number: 8.704-753.0-BTF

Clean Storm 8.704-753.0-BTF, 3/8 in ID X 1/2 in OD Polybraid Rein Reinforced Clear Tubing X 1ft, (Sold by the Foot)

Manufacturer: Clean Storm

Clean Storm, 3/8 in ID x 1/2 in OD Polybraid Reinforced Clear Tubing, (Sold by the Foot)

Description

The Clean Storm 8.704-753.0-BTF is a multi-use, industrial-grade clear tubing designed for optimal durability and high resistance to chemicals, solvents, and fuels. Reinforced with heavy-duty polyester cord, this versatile hose provides exceptional strength while maintaining flexibility for various commercial, industrial, and pressure washing applications.

Please Note: This product is SOLD BY THE FOOT.

Features

- Multi-use, industrial-grade tubing engineered for tough environments
- High resistance to chemicals, solvents, and fuels
- Reinforced with high-tensile polyester braid for extra durability
- 4-to-1 burst safety factor ensuring reliable performance under pressure
- Clear PVC construction allows for easy visual flow monitoring
