Husqvarna 546372708, Elite-Polish EFT 100 W, Resin 11in (279 mm), Wet, Multi-Surface, GTIN 805544517508

Manufacturer: Husqvarna Equipment

Husqvarna 546372708, Elite-Polish EFT 100 W, Resin 11" (279 mm), Wet, Multi-Surface, GTIN 805544517508
Description
Elite-Polish™ EFT W is the ideal solution for transitioning from metal to resin tools seamlessly. This innovative tool effectively minimises scratches and kickstarts the polishing process, especially on surfaces that are too rough for direct polishing. Thanks to the flexible design, these pads are well-suited for multiple wet applications, particularly in scenarios where durability is a key consideration. They excel in extending the tool's lifespan while delivering exceptional results.
Features

• Ideal for wet polishing concrete, terrazzo (cementitious and resin-based), and calcareous stone.
• The EZchange™ system allows for quick and hassle-free diamond tool changes without the need for multiple diamond holder discs or time-consuming screw-on systems. Compatible with machines from a variety manufacturers.
• The VELCRO®-brand backing makes the tool universally compatibile and allows resin pads to be switched easily between different tool sets.
• Helps you reach the desired level of performance faster, saving valuable time.
