Description
Experience the cutting-edge technology of Elite-Polish™ EF W for effortless and superior concrete polishing results in wet applications. This tool features a flexible backing that effortlessly follows the contours of any floor, including irregularities. With our EZchange™ attachment system, tool changes are easier and faster, making the process efficient and hassle-free.
Features

• Ideal for wet polishing concrete, terrazzo (cementitious and resin-based), and calcareous stone.

• The tool’s flexible backing is designed for managing low spots on irregular floors.

• The EZchange™ system allows for quick and hassle-free diamond tool changes without the need for multiple diamond holder discs or time-consuming screw-on systems. Compatible with machines from a variety manufacturers.

• The VELCRO®-brand backing makes the tool universally compatibile and allows resin pads to be switched easily between different tool sets.

• Dry grinding enables a fast working speed and an extended tool life. This supports efficient grinding or polishing with minimal downtime and high durability.
