Description

The Clean Storm SS1404-12-12 Stainless Steel Pipe Swivel Fitting is engineered for high-performance hydraulic, pneumatic, and industrial fluid applications requiring superior corrosion resistance. Manufactured from durable 316 stainless steel, this adapter features a 3/4" Male NPTF (tapered) connection on one end and a 3/4" Female NPSM (straight) swivel connection on the other.

Note on "Not Live" Swivel Functionality: This fitting features an inline assembly swivel mechanism. It is designed to swivel freely during installation to align components effortlessly without twisting hoses or piping. Once tightened and assembled, the swivel action locks into place. To disassemble or adjust, the swivel action can be broken loose. It is not designed to provide continuous swivel rotation while operating under pressure.

Features

- **High-Grade Material:** Constructed from 316 Stainless Steel for maximum corrosion resistance in harsh chemical, marine, and high-moisture environments.
- **Non-Live Swivel Action:** Swivels easily during installation to simplify assembly and alignment, locking tight once fully torqued.
- **Heavy-Duty Performance:** Rated for high-pressure operations up to 5,000 PSI and extreme temperature environments up to 1,000°F.
- **Precision Threads:** Combines 3/4" NPTF male tapered threads with 3/4" NPSM female straight swivel threads for reliable, leak-free sealing.
- **Versatile Application:** Ideal for high-pressure hydraulic systems, pressure washers, chemical feed lines, and industrial fluid transfer operations.

Specifications

Brand

STAINLESS ADAPTERS / Clean Storm

Parts & Accessories > Brass, Plastic, Steel, Stainless Hydraulic Fittings > Stainless Steel Fittings > Clean Storm SS1404-12-12, 316 Stainless Pipe Swivel 3/4 MNPT X 3/4 FNPSM Not Live Fitting

Clean Storm SS1404-12-12, 316 Stainless Pipe Swivel 3/4 MNPT X 3/4 FNPSM Not Live Fitting

Part Number / MPN
SS1404-12-12

Fitting Type
Adapter / Pipe Swivel

Swivel Action
Assembly Swivel (Not Live Under Pressure)

Material Construction
316 Stainless Steel

Connection Type
Male Pipe x Female Swivel (M x F)

Connection 1
3/4" Male NPTF (Tapered Pipe Thread)

Connection 2
3/4" Female NPSM (Straight Mechanical Swivel)

Thread Size
3/4"-14

Max Pressure Rating
5,000 PSI

Max Temperature Rating
1,000°F

Industry Standards Met
ASME B1.20.1, SAE AS71051
