Description
Elite-Polish™ EO D is crafted to meet the unique demands of overlay applications. This high-performance honing tool is engineered to deliver exceptional results in dry applications. The VELCRO® brand attachment ensures universal compatibility, allowing you to use the tool with ease on various types of machines.
Features

- Compared with other polishing pads, these tools provide a higher gloss and clarity level in just one pass – saving time and reducing the cost per square meter while allowing you to achieve excellent results.
- Optimised for dry polishing cement-based terrazzo floors.
- This engineered system ensures an optimal balance between tool wear and grinding or polishing speed, helping you achieve the desired result in a minimal amount of time.
- The VELCRO®-brand backing makes the tool universally compatibile and allows resin pads to be switched easily between different tool sets.
- Optimised for dry polishing concrete floors.
