Description

Elite-Polish® EX D is our top-of-the line system, tailor-made for natural stone surfaces such as marble and terrazzo. This exceptional tool is specifically formulated to deliver outstanding results, regardless of whether you're working in damp or dry conditions. The tool's unique formulation ensures optimal performance across all conditions, providing versatility and reliability. Experience superior polishing on natural stone surfaces with ease and efficiency. The EZchange® attachment system streamlines and expedites the tool-changing process, enhancing convenience and productivity.

Features

- Compared with other polishing pads, these tools provide a higher gloss and clarity level in just one pass – saving time and reducing the cost per square meter while allowing you to achieve excellent results.
- Optimised for dry polishing concrete floors.
- The EZchange® system allows for quick and hassle-free diamond tool changes without the need for multiple diamond holder discs or time-consuming screw-on systems. Compatible with machines from a variety of manufacturers.
- This engineered system ensures an optimal balance between tool wear and grinding or polishing speed, helping you achieve the desired result in a minimal amount of time.
- Optimised for dry polishing cement-based terrazzo floors.
