Manufacturer: RHG Reach Higher Ground

Tucker Fill N Go - Dual User - Spot Free 50 Gallon 150ft Hose RO/DI System

Description

Looking for the ultimate pure water system for your water-fed poles? Want to be able to bring your own spot-free water to a job site? Want to be able to produce spot free water onsite in the event you need more water than 50 gallons? These 50 gallon tank systems are the perfect solution for any looking to have an all in one system. Designed utilizing the highest quality components available today.

Each system includes:

• 50 Gallon Tank Powder Coated lightweight aluminum frame
• (2) Digital Flow Controller, (1) for each operator
• (2) Premium Tucker® hose reels (with 150' of 3/8" ID hose), (1) for each operator
• (2) RHG USA Made 12v Pumps, (1) for each operator
• Sediment / Carbon Pre-filtration
• 40" Low Pressure RO Membrane powered by an RHG 12 Volt Boost Pump
• Deionization final stage
• Small Compact Design

Specs
Dimensions (WxHxD): 46" x 40.75" x 22.5"
Weight: 387 lbs
NOTE - Proper Deep Cycle Marine Battery necessary to power unit.
All RHG and Tucker® brand purification systems come with a 10 year warranty and are assembled in the US.
Any Tucker® system you buy will come with your first set of replacement sediment, carbon, and DI filters included at no extra cost! No more worrying about not having an extra filter on hand when you need it.
