Manufacturer: StainOut Systems

StainOut Systems 71-490, Hyper Dry Upholstery Tool, Diecast Clear View, Stainless Steel Valve
Description
Meet the Hyper Dry Upholstery Tool, the ultimate upgrade for deep, efficient cleaning. Designed with a clear die-cast head and powerful airflow, Hyper Dry lets you see the clean in action while cutting dry times to a minimum. Its stainless-steel valve and lightweight, ergonomic design deliver pro-level performance that’s durable, comfortable, and easy to use.

Perfect for cleaning upholstery, stairs, car interiors, and tight spaces, the Hyper Dry Upholstery Tool combines visibility, precision, and suction power for cleaner results — faster than ever.

Take your cleaning game to the next level with Hyper Dry — the tool that works as hard as you do.

This sought after Upholstery Tool is a outstanding standard feature on the all new Hyper One and the big brother, the Hyper Five.
Features

- Transparent window that is easy to view for real-time cleaning control
- Superior water recovery for ultra-fast drying
- Durable stainless-steel construction on the valve, lever and jet
- Available with or without a 10-ft vacuum hose
