Manufacturer: StainOut Systems

StainOut Systems M-015, Rolling Transport Tray for G3 & SUDS Sprayers
Description

Introducing the ultimate solution for effortless and convenient spraying tasks – the Rolling Transport Tray! Designed to perfectly complement your cordless battery sprayer. Say goodbye to the hassle of carrying heavy equipment around and welcome the ease of mobility with this innovative accessory. Crafted with durability and functionality in mind, this rolling tray is built to last and withstand the rigors of everyday use. Its sturdy construction ensures stability and support for your cordless sprayer, allowing you to move freely and cover large areas with ease. The ergonomic design of the tray features smooth-rolling wheels that glide effortlessly across various surfaces, making it ideal for indoor and outdoor spraying applications. Whether you're working in the garden, on a construction site, or in a workshop, this transport tray will be your reliable companion. Equipped with secure locking mechanisms, the tray provides a stable platform for your cordless sprayer, preventing any accidental slips or falls during operation. With its versatile and practical design, this rolling transport tray is a must-have accessory for professionals and DIY enthusiasts alike. Enhance your productivity, efficiency, and overall spraying experience with this essential tool by your side. Upgrade your spraying setup today with the Rolling Transport Tray and experience the convenience and mobility you've been looking for at an affordable price.
