Description
Experience the optimal balance of value and performance with Vari-Polish™ VP Edge W. Designed to meet your polishing needs and tailored for wet handheld polishing processes. Its versatile design enables exceptional results in both wet and dry conditions, providing the flexibility you need for various surfaces. The VELCRO® brand attachment provides universal compatibility, allowing you to effortlessly use this product on all types of machines, ensuring a hassle-free experience.
Features
Ideal for wet polishing concrete, terrazzo (cementitious and resin-based), and calcareous stone.
Ideal for achieving the desired grinding or polishing result along the edges of concrete floors.
A wide range of available grit sizes allows you to achieve a variety of results across different applications.
The VELCRO®-brand backing makes the tool universally compatibile and allows resin pads to be switched easily between different tool sets.
