Description
The new Prep Center S™ from Mytee is the next chapter in our revolutionary Prep Center series. The newly redesigned chassis makes the Prep Center S™ slimmer and more mobile than its predecessors, without compromising functionality. In fact, we gave it Even More Capacity! With its all-in-one design and intuitive features meant to maximize efficiency, the Prep Center S™ will have you doing laps around your competition, not your shop!

The Mytee 80-120 Prep Center S All-in-One Corded Detail Machine with Upholstery Tool is a versatile and high-pressure cleaning machine designed for both floor and upholstery cleaning. With a 120 psi pressure and a 4-inch cleaning path, it efficiently removes dirt and grime from various surfaces. The included upholstery tool and attachment kit add to its functionality, making it a convenient all-in-one solution for detailed cleaning tasks. This machine operates on 120 volts and features a recovery tank and solution tank with a capacity of 11-20 gallons, ensuring uninterrupted cleaning without the need for frequent refills.
