Model Number: 593946815

Husqvarna 593946815, HiperFlex TRW, 14in, Semi Metal 200G, 200 Grit, Wet, GTIN 805544011969

Manufacturer: Husqvarna Equipment

Husqvarna 593946815, HiperFlex TRW, 14in, Semi Metal 200G, 200 Grit, Wet, GTIN 805544011969

Description

Experience high-speed, large-area polishing with HiperFlex TRW resin bond pads, designed specifically for the HiperTrowel™ system. These 14-inch flexible tools deliver a homogeneous salt-and-pepper finish with exceptional clarity (high DOI), even on surfaces that are not perfectly smooth. The unique diamond dot layout and flexible polymer ring allow the pads to follow floor contours effortlessly, ensuring consistent results in both high and low spots. Ideal for final polishing steps up to #3000 grit, these pads are your go-to solution for achieving a durable, low-maintenance industrial finish on large, unobstructed floors – fast.

Features

• Compared with other polishing pads, these tools provide a higher gloss and clarity level in just one pass – saving time and reducing the cost per square meter while allowing you to achieve excellent results.

• The tool’s flexible backing is designed for managing low spots on irregular floors.

• The EZchange™ system allows for quick and hassle-free diamond tool changes without the need for multiple diamond holder discs or time-consuming screw-on systems. Compatible with machines from a variety manufacturers.

• This engineered system ensures an optimal balance between tool wear and grinding or polishing speed, helping you achieve the desired result in a minimal amount of time.

• Designed to provide reliable results on demanding large-scale jobs, this feature ensures durability and efficiency under continuous, intensive use.
