Model Number: 967318201

Husqvarna 967318201, MS 360G Masonry Saw, 4.8hp Honda, 14 Inch Blade Not Included, GTIN 805544208895

Manufacturer: Husqvarna Equipment

Husqvarna 967318201, MS 360G Masonry Saw, 4.8hp Honda, 14 Inch Blade Not Included, GTIN 805544208895

Description

The MS 360 G is a gasoline masonry saw for outdoor or well-ventilated areas. MS 360 G has an exceptional cutting depth up to 5" deep for a standard 14" blade and cuts materials up to 15" in length. The sturdy and rigid design makes it suitable for large jobs cutting block, brick or pavers. The MS 360 G switches easily between plunge and miter cutting which makes it fast and versatile on the job site. The water containment system facilitates clean work area. Stand is sold separately.

Features

- It's quick and easy to set-up and disassemble. The integrated telescopic handles facilitates easy movement.
- The water containment system keeps the slurry in the cart trench and the double water spray splash guard facilitates a clean work area.
- Plunge handle ensures low vibrations for the operator.
- Sta-level® blade guard keeps the blade guard parallel to the cutting table for accurate cuts. The spring-assisted head enables easy plunge cutting.
