Description
This saw proves its value daily on the job, and many of them have been on the job for over 25 years. If you need a production masonry saw you can count on year after year, the reliable Husqvarna MS 610 is the saw for the job.
Features

- The forklift brackets facilitates easy movement.
- The engine mounting system ensures low vibrations for the operator.
- The parallel blade guard and the ergonomically designed steel handle with molded grip ensures accurate and steady cuts.
- The water containment system keeps slurry in the cart trench and the water spray splash guard facilitates a clean work area. The larger diameter nozzles in the brass minimizes clogging.
